Terms & Conditions

Read each term and condition carefully

ACCREDITATION

The online training modules indexed in the web portal: <http://edusocialweb.org/>, which are **approved through co-sponsorship** by the Institute of Continuing Education of Social Work Professionals of Puerto Rico (CPTSPR) are identified, for these purposes, the collegiate must pay directly to the Institute of Continuing Education of Social Work Professionals (CPTSPR) the cost of continuing education registration.

CERTIFICATE OF CONTINUING EDUCATION

This web portal generates the certificates automatically once you complete the enrolled module with the pass score. The pass rate information is indicated in each module. Check your name on the license plate screen. The certificate will be issued as the name appears on the registration.

REQUEST FOR DUPLICATE CERTIFICATE

The request for duplicate certificate carries a cost of \$ 10.00 and will make the request to the web portal: <http://edusocialweb.org/>

RELIEF OF RESPONSIBILITY

If you are not a social worker, you decide to invest in the education offered in a training module, and this has not been previously approved by your professional board, you relieve Edusocial Innovative Solutions Corp. of any difficulties you face with your professional board or continuing education institute when you renew the professional license.

PAID BY COURSE

This platform utilizes PayPal and only supports investment (paying) for one module per transaction. If you are interested in investing in more than one training module you will make payments one at a time. **Do not use the refresh button during the checkout process and do not attempt to make the payment twice for the same training module. The system will charge you twice.**

REFUND POLICY

Our corporate policy states that there is no refund for payments made electronically. You will need to apply for a credit for another module (subject to approval). The credit request must be made to the web portal: <http://edusocialweb.org/> Once the module is started there is no credit.

USE AND TIME LIMIT TO COMPLETE MODULE

They will be offered (4) Four opportunities to complete the exercises in the module. Each time the user enters and exits the module is counted as an opportunity. Weather limit to complete the module is (20) twenty days from the date you register the payment of the tuition.
